

Goto www.fcps.edu
Click on FCPS 24-7 Learning

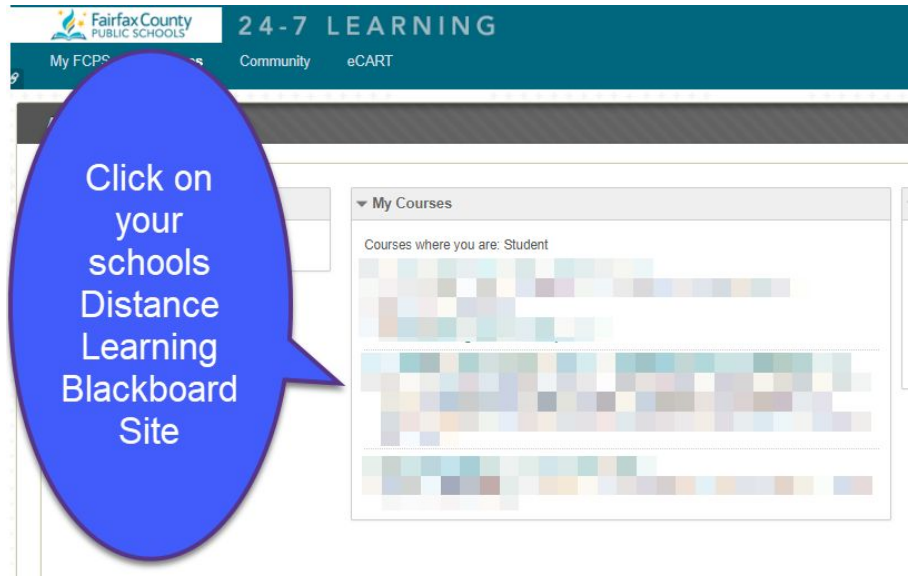

Sign in with student ID # as username and student password. This is the same as logging into a computer at home. If students forgot their password they should contact their teacher or click Forgot Your Password.

Once logged in, students will click on the top menu bar: COURSES

In the next screen students should see their schools Distance Learning Blackboard Site, click on that course page link.

Choose your grade from the list of buttons on the right menu.

For accessing the Live virtual classrooms or Blackboard Collaborate Ultra sessions click on the provided link.

There will be other folders and links for daily schedules, activities, and other information.

If you need to contact your child's teacher click on the button titled Contact Us/ Staff Directory and search for teacher name.
